

## NOTICE

On September 1, 2017, the City of Lubbock, through Lubbock Power & Light (LP&L), filed an application with the Public Utility Commission of Texas ("Commission") entitled Application of The City Of Lubbock through Lubbock Power And Light For Authority to Connect a Portion Of Its System With The Electric Reliability Council Of Texas ("Application"). The Application seeks the Commission's approval to transfer approximately 78% of LP&L's electric load from the Southwest Power Pool ("SPP") power region to the Electric Reliability Council of Texas ("ERCOT") power region. The Application includes a study that analyzes and evaluates issues related to moving LP&L's affected load. This Application has been assigned Commission Docket No. 47576.

A copy of the Application may be obtained digitally on the Commission Interchange, [interchange.puc.texas.gov](http://interchange.puc.texas.gov), Commission Docket No. 47576, Item No. 1, or at the Commission Central Records office, located at the William B. Travis Bldg., 1701 N. Congress Avenue, 7<sup>th</sup> Floor Austin, TX 78701. LP&L customers with questions regarding whether they are in the portion of LP&L's system that would move to ERCOT may call David McCalla at LP&L at (806) 775-3897. A copy of LP&L's application in Docket No. 47576 may be reviewed at the Lubbock Power & Light / City of Lubbock Utilities Customer Service Center at 1301 Broadway, Lubbock, Texas.

Persons who wish to intervene in or comment upon these proceedings should mail their requests to intervene or their comments (along with 10 copies of your letter) to the Public Utility Commission of Texas, P.O. Box 13326, Austin, Texas, 78711-3326 with reference to Docket No. 47576; all requests to intervene must be received by the Public Utility Commission by **October 25, 2017**. Further information may also be obtained by calling the Public Utility Commission at (512) 936-7120 or (888) 782-8477.
